

DISCOVERING GOD'S CALL TO ADARE

Mission and Ministry for 2008 and beyond

VISION AND GOALS SURVEY

An important principle that we have followed in discerning our direction for the future is to invite **all** in our congregation, having prepared themselves in prayer, to express their thoughts on this direction.

Your response is invited in the following three ways:

1. Please number in priority order (1 to 5) the following aspects of ministry, as you would see them being important for our church at Adare.

(This list resulted from our recent goals and vision workshop)

- *Personal relationship with God – Christ-centred, obedient to His call and open to the Holy Spirit.*
- *Social Justice – responsible actions showing unconditional acceptance and respect to all people.*
- *Witnessing God's love – reaching out to others.*
- *Proclaiming the Gospel and the Word through vibrant worship, teaching, preaching and prayer.*
- *Focusing on rich fellowship and nurturing one another.*

2. Please list any other ministry areas you see as important for our church and place them in priority order, relative to the list in section 1.

(For example: "between priorities 3 and 4", "first priority")

_____ priority _____
_____ priority _____
_____ priority _____

3. What do you think is and/or should be a special characteristic of our church at Adare?

Your responses to this questionnaire can be

- handed to the member of our congregation who visited you with this form
- put in an envelope and placed in the offering bag during Sunday worship
- put into one of the letter boxes at the church
- posted to Adare Uniting Church, The Drive, McCracken SA 5211

Please return this form by Sunday 18 May 2008.
